COUNT I
VIOLATIONS OF THE ADA AND ADAAG

16. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101 *et seq.* (the “ADA”).

17. The ADA provided places of public accommodation one and a half years from its enactment to implement its requirements.

18. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993 (if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

19. The Facility is a public accommodation and service establishment.

20. The Property is a public accommodation and service establishment.

21. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice and Office of Attorney General promulgated federal regulations to implement the requirements of the ADA. 28 C.F.R. Part 36.

22. Public accommodations were required to conform to these regulations by January 26, 1992 (or by January 26, 1993, if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181 *et seq.*; 28 C.F.R. § 36.508(a).

23. Liability for violations under Title III or the ADA falls on “any person who owns, leases (or leases to), or operates a place of public accommodation.” 42 U.S.C. § 12182(a).

24. The Facility must be, but is not, in compliance with the ADA and ADAAG.

25. The Property must be, but is not, in compliance with the ADA and ADAAG.

26. Plaintiff has attempted to, and has to the extent possible, accessed the Facility and the Property in her capacity as a customer of the Facility and Property, and as an advocate for the disabled, but could not fully do so because of her disabilities resulting from the physical barriers to access, dangerous conditions and

ADA violations that exist at the Facility and Property that preclude and/or limit her access to the Facility and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

27. Plaintiff intends to visit the Facility and Property again in the very near future as a customer and as an advocate for the disabled in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Facility and Property, but will be unable to fully do so because of her disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility and Property that preclude and/or limit her access to the Facility and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

28. Defendant has discriminated against Plaintiff (and others with disabilities) by denying her access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Facility and Property, as prohibited by, and by failing to remove architectural barriers as required by, 42 U.S.C. § 12182(b)(2)(A)(iv).

29. Defendant will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant is compelled to remove all physical barriers that exist at the Facility and Property, including those specifically set forth herein, and make the Facility and Property accessible to and usable by Plaintiff and other persons with disabilities.

30. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed that precluded and/or limited Plaintiff's access to the Facility and Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Facility and Property include, but are not limited to:

(a) EXTERIOR ELEMENTS:

- (i) The accessible parking space on the Property is missing identification signage, in violation of section 502.6 of the 2010 ADAAG standards.
- (ii) The Property has a ramp leading to the accessible entrances of the Facility with extreme slope, in excess of 1:10 (one to ten), in violation of section 405.2 of the 2010 ADAAG standards.
- (iii) Due to an apparent policy of placing an unaffixed rubber mat on the ground surfaces of the accessible ramp on the Property,

said ground surfaces have vertical rises in excess of ¼” (one quarter inch) in height and are unstable, in violation 405.4 of the 2010 ADAAG standards.

- (iv) The maneuvering clearance before the accessible entrance to the Facility is both inadequate in its amount (due to improperly placed and obstructive handrails), and is also not level, in violation of sections 404.2.4.1 and 404.2.4.4 of the 2010 ADAAG standards.

(b) INTERIOR ELEMENTS:

- (i) The interior of the Facility has sales and services counters lacking any portion of which that has a maximum height of 36” (thirty-six inches) from the finished floor, in violation of section 904.4 of the 2010 ADAAG standards.
- (ii) Due to an apparent policy of storing inventory and other items within the accessible routes within the Facility, those routes lack 36” (thirty-six inches) of clear width, in violation of section 403.5.1 of the 2010 ADAAG standards.
- (iii) The Facility lacks restrooms signage that complies with sections 216.8 and 703 of the 2010 ADAAG standards.

- (iv) The hardware on the restroom doors in the Facility have operable parts that require tight grasping, pinching or twisting of the wrist, in violation of section 309.4 of the 2010 ADAAG standards.
- (v) The hand operated flush controls on the commodes in the restrooms in the Facility are not located on the open side of the restroom, in violation of section 604.6 of the 2010 ADAAG standards.
- (vi) The restrooms in the Facility do not have grab bars adjacent to the commodes therein, in violation of section 604.5 of the 2010 ADAAG standards.
- (vii) The restrooms in the Facility have cabinet-style sinks that provide for inadequate knee and toe clearance thereunder, in violation of sections 305, 306 and 606.2 of the 2010 ADAAG standards.
- (viii) The soap dispensers in the restrooms in the Facility are located outside the prescribed vertical reach ranges set forth in section 308.2.1 of the 2010 ADAAG standards.
- (ix) The mirrors in the restrooms in the Facility exceed the

maximum permissible height set forth in section 603.3 of the 2010 ADAAG standards.

31. Without limitation, the above-described violations of the ADAAG made it more difficult and dangerous for Plaintiff to utilize the the ramp servicing the Property, and more difficult for Plaintiff to access all features of the interior of the Facility.

32. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Facility and Property.

33. Plaintiff requires an inspection of Facility and Property in order to determine all of the discriminatory conditions present at the Facility and Property in violation of the ADA.

34. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

35. All of the violations alleged herein are readily achievable to modify to bring the Facility and Property into compliance with the ADA.

36. Upon information and good faith belief, the removal of the physical

barriers and dangerous conditions present at the Facility and Property is readily achievable because the nature and cost of the modifications are relatively low.

37. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Facility and Property is readily achievable because Defendant has the financial resources to make the necessary modifications.

38. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be modified to comply with the 1991 ADAAG standards.

39. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that she will continue to suffer irreparable harm unless and until Defendant is required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Facility and Property, including those alleged herein.

40. Plaintiff's requested relief serves the public interest.

41. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendant.

42. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of litigation from Defendant pursuant to 42 U.S.C. §§ 12188 and 12205.

43. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant to modify the Facility and Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

- (a) That the Court find Defendant in violation of the ADA and ADAAG;
- (b) That the Court issue a permanent injunction enjoining Defendant from continuing its discriminatory practices;
- (c) That the Court issue an Order requiring Defendant to (i) remove the physical barriers to access and (ii) alter the subject Facility and Property to make them readily accessible to, and useable by, individuals with disabilities to the extent required by the ADA;
- (d) That the Court award Plaintiff's counsel reasonable attorneys' fees, litigation expenses and costs; and
- (e) That the Court grant such further relief as deemed just and equitable in light of the circumstances.

Dated: August 24, 2021.

Respectfully submitted,
